

Season 2018 Registration details:

Please register your children via the MyFootball Club link below.

When you register you will need:

1. An FFA number and password (to login).
2. If your child has never played soccer before, you will need to sign them up to MyFootball and you will receive an FFA number/password. Once you have obtained login details, you will then need to register.
3. On the registration page select **South Yarra Soccer Club**
4. Select: **Player**
5. Finally select the **correct Age Group** they will be playing in.
6. Then **Add Package**
7. From here you will go on to make payment online and confirm their registration.

<https://www.playfootball.com.au/player/player-registration>

*Please note - if your child is playing up an age group this year, you will have to select the age group listed (the FFV match their D.O.B with the appropriate age group) and send invoice to the club, rather than paying online. Please email Ashlee Good (agood@southyarrasc.com.au) with the correct age group they are playing in for 2018 and we will manually update our records to reflect this. The club will also email you an invoice with the correct payment amount for that age group.

Kind Regards,

Junior Committee SYSC
